

CLASS OF 76

West Kinney, West Kinney
Open your gate, for the
Liberty Bell is about to break,
It rings here, it rings near,
It rings to celebrate our
Bicentennial year.

Daisy Bruton

Dedication

IT IS OUR PRIVILEGE TO DEDICATE THE 1976 WEST KINNEY JUNIOR HIGH YEARBOOK TO AN OUTSTANDING PERSON, MR. BERTRAM TRACHTENBERG.

Brothers and Sisters are
Looking up with dignity
At what they are accomplishing.
Courage plus
Kindness are helping them along.
Peaceful demonstrations fight
Racism and poverty.
I only hope that in my life
Discrimination will be
Eliminated forever.

MR. GEORGE BRANCH, PRESIDENT OF WEST KINNEY SCHOLARSHIP FUND, RECEIVES CHECKS FROM SUPPORTERS FROM BUSINESS, INDUSTRY AND COMMUNITY.

West Kinney started me on my way
Because I was here each and every day.
For three years from September to June
I learned the golden rule.
In math I learned to measure from here to there,
In English to read words with care.
In Science I learned the structure of things,
And in History of famous men and kings.
In Art I learned to draw perfect lines,
In General Business to count every dime.
But at this time of sad parting,
There is one thing that is quite disheartening:
West Kinney you've taught me all of this it's true
Except how to keep from missing you.

So long graduates,
 We will miss you graduates.
 And as the years go by
 Remember West Kinney Junior High.
 It isn't such a bad school
 As long as you obey the rules.
 So keep the work up
 And with the best of luck
 Reach up high
 Till you touch the sky
 So long graduates.

Michelle Carlton

One day the people of the world will unite.
 They will be judged by their wrongs and their rights,
 And not by their color, black or white.

One day the people of the world will unite.
 They will only unite by will and by might.

One day the people of the world will unite.
 Through the need for one another,
 They'll pledge to "Love" and cease to fight,
 And unite as true sisters and brothers.
